At the end of the tenancy covered by the Tenancy Deposit Scheme

Payment of the Deposit will be made within 10 working days of written consent from both parties.

7.4 If, after 20 working days following notification of a dispute to us and reasonable attempts have been made in that time to resolve any differences of opinion, there remains an unresolved dispute between the Landlord and the Tenant over the allocation of the Deposit it will be submitted to the ICE for adjudication. 7.7 It is not compulsory for the parties to refer the dispute to the ICE for adjudication. The parties may, if either party chooses to do so seek the decision of the Court. However, this process may take longer and may incur further costs. Judges may, because it is a condition of the Tenancy Agreement signed by both parties, refer the dispute back to the ICE for adjudication. If the parties do agree that the dispute should be resolved by the ICE, they must accept the decision of the ICE as final and binding.

7.8 If there is a dispute we must remit to The Dispute Service Ltd the full deposit, less any amounts already agreed by the parties and paid over to them. This must be done within 10 working days of being told that a dispute has been registered whether or not you or we want to contest it. Failure to do so will not delay the adjudication but The Dispute Service Ltd will take appropriate action to recover the deposit and discipline us.

7.9 Keys Residential must co-operate with the ICE in the adjudication of the dispute and follow any recommendations concerning the method of the resolution of the dispute.
